General Rules:

1. Participating teams will need to decode a certain fixed number of clues in order to reach the final destination.
2. All the teams will have unique, pre-decided paths till the final spot.
3. The team that will complete the hunt in minimum time will be declared the winner.
4. The locations will be spread all across the campus.
5. Organizers at the locations will not provide any hints or lead to the correct location.
6. However, the coordinates will give away the answer to the clue in exchange for a penalty of 20 minutes.
7. Any unfair means of gameplay will lead to a penalty of 5 minutes.
8. Use of vehicles or any other means of quick transport is strictly prohibited.
9. The next clue will not be provided until all the team members arrive at a particular spot.

Team Formation Rules:

1. Each team must consist of 5 members.
2. For the teams from outside the campus, the team formation is independent.
3. For the students of IITGN, the team should consist of students from three different batches. Here, different batches mean: B'Tech. I year, B'Tech. II year, B'Tech. III year, B'Tech IV year, MTech I year, M.Tech II Year, M.Sc I Year, M.Sc II Year, M.A I Year, M.A II Year, PhD and Faculty/Staff.

Note that, for the teams from other college communities there will be a 25 minutes advantage owing to their unfamiliarity to the campus.
